

MADE ON PURPOSE. LOVED BY GOD.

Help your child grow in confidence rooted in God’s truth! Every page pairs a Bible truth in big letters to color with a real Bible verse, a joyful picture of kids at school, at the park, riding bikes, playing sports and around the neighborhood, and lines to write what the truth means to them. The pages follow the seasons of the year, from snowy winter to pumpkin-picking fall.

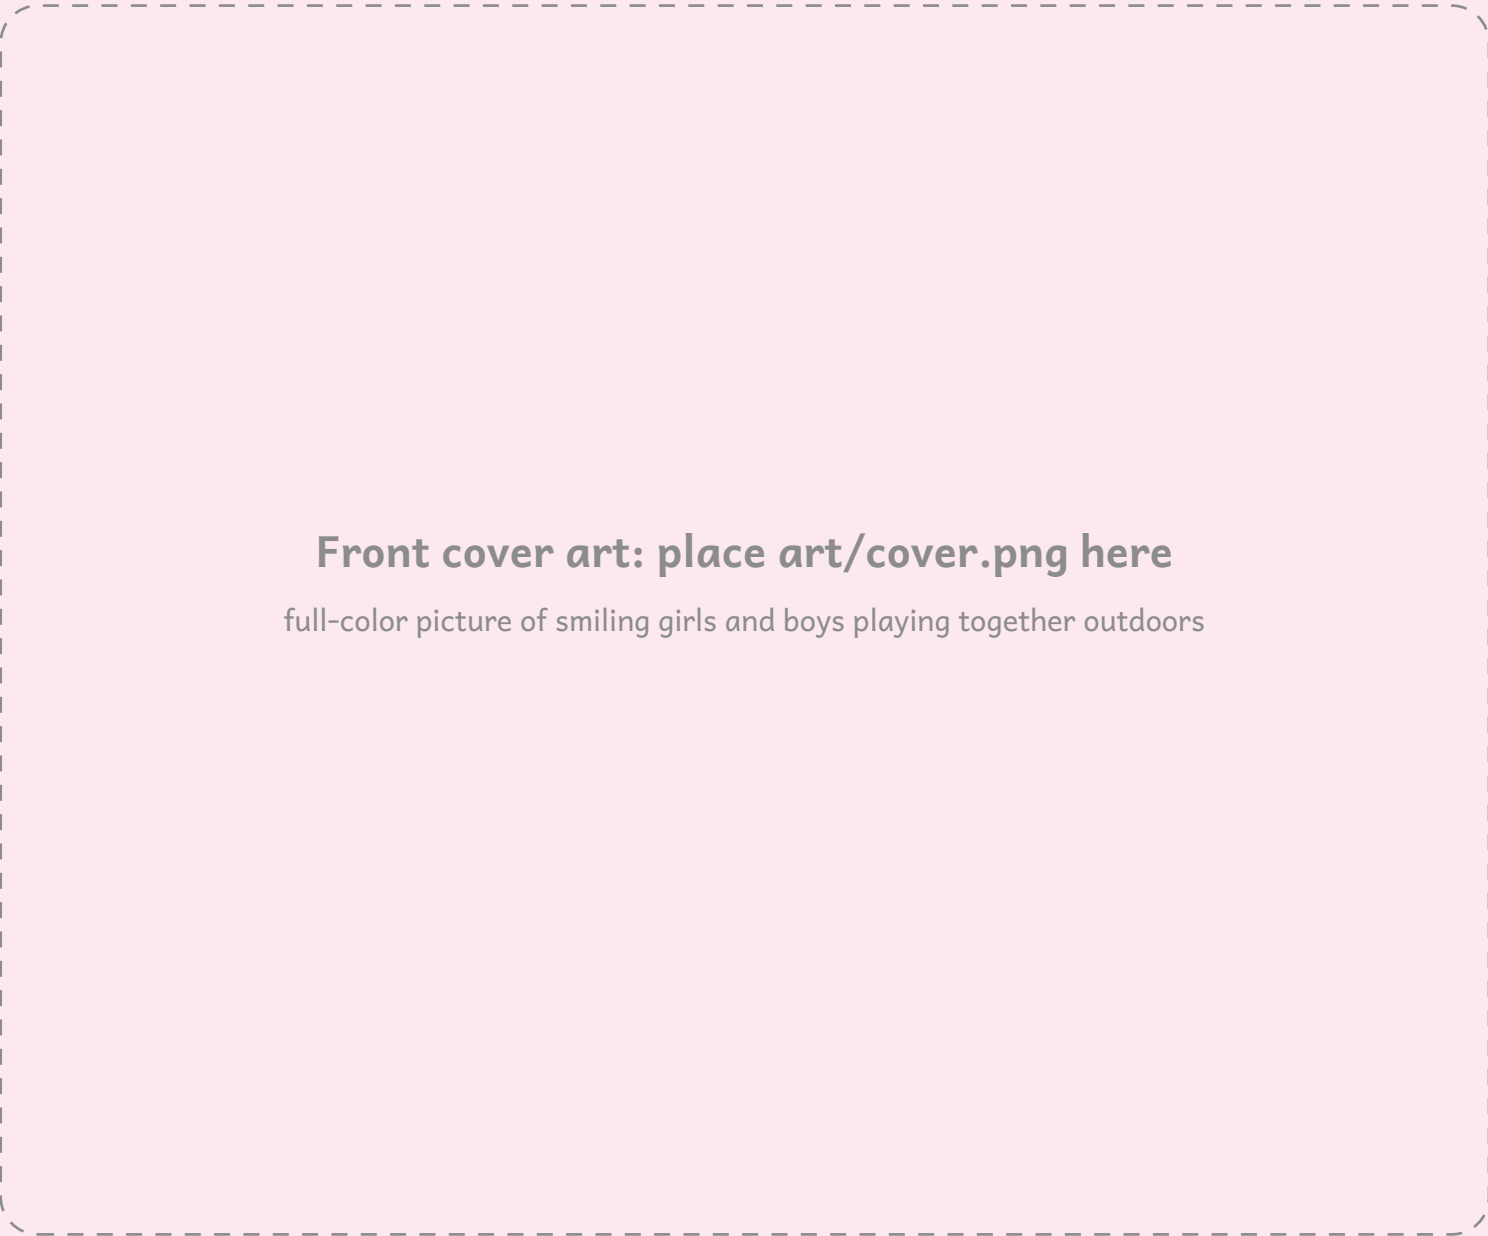

- 30 single-sided designs, so markers won’t bleed onto the next picture
- Big 8.5 x 11 inch pages for ages 5-10
- Girls and boys at school, in the park and around the neighborhood
- Space for notes on every page
- A “this book belongs to” page and a completion certificate

“I am fearfully and wonderfully made.” — Psalm 139:14
